Summary

Enthusiastic with Computer Science and IT. I am able to problem solve and make things work. I am a hardworking person and a great team leader.

Experience

Steam, Wigan, 2015-2017 - attended a Code Club where I learned basic Python Fundamentals and HTML Web Design. I learned skills like:

- Problem solving
- Iteration
- While and for loops
- Basic HTML Web Design
- Python Turtle

Paper round, Shevington Post Office, 2018-2021 – I did a paper round to help people all around my village especially the elderly, Through COVID-19 I helped an elderly lady with her shopping too. By doing this I learned skills like:

- Motivation
- Social skills
- Communication
- Loyalty
- Time management

Shevington Sharks ARLFC – 2014-2018 – I played Rugby for four years at Shevington Sharks, I really enjoyed it, I learned skills like:

- Team work
- Communication skills
- Socialisation
- Team management
- Self-motivation

Director of Student Council at Shevington High School 2022-Present – I am Director of Student Council at my current High School, where I do things like listening to my fellow students' opinions and project them to our headteacher Mr Grant. This strengthens my current skills like:

- Communication
- Time management
- Team leading

Harvey's Virtual Environment 2022-Present – I have a website and YouTube page where I am very enthusiastic about IT and help people on a daily basis with me reaching over 12,000 views per month. I help

people by posting blog posts on my website where I explain how to do specific things relating to Computers, Servers and Networking. I have helped lots of people. I'm very proud of my achievements and hope I can reflect them in the work place.

Education

Currently at Shevington High School, I take 3 GCSE options that are: Computer Science, I Media and Music. These are my predicted grades:

Subject	Predicted GCSE Grade
English Literature	4
English Language	5
Maths	4
Science Combined (Higher)	5-5
Computer Science	7
iMedia	M2
Music	5
